## OUR STORY

Weego is the embodiment of who we are as a company. Our goals and values center on providing high-quality and affordable power to your entire family. From moms to mechanics, from ATVs to boats, from cell phones to tablets – we have a charge for everyone and everything. Weego where you go, when you need us, wherever you need us.

In July 2014 we got our first shipment and wanted to put them to a genuine test, forgoing the artificial atmospheres of focus groups. So, we bought a 1965 Ford Falcon station wagon, painted it orange and white, and loaded it with Weegos. We were able to make a lot of sales and gain valuable insight & feedback in just a few short weeks. Real sales, real people, real results.

Not only were people attracted by our unique product, but also by what Weego represents – a fun, trustworthy, family brand that takes a simple approach to technology. We decided to go full steam ahead with Weego, and so far the reaction has been awesome.
